

CD2™ Learning - Winner 2015 Leadership 500 Excellence Awards

Overland Park, KS. May 19, 2015 - CD2 Learning, an award winning cloud-based human capital management software, was announced as a winner in the 2015 Leadership 500 Excellence Awards presented by HR.com. Category - Midsize Leadership Partner & Provider.

Leadership Excellence identifies and recognizes the top 500 leadership organizations for their strategies and solutions. "This year's list of winners reflects the importance of reinventing leadership development and the need to bring leadership to a wider audience," stated Debbie McGrath, CEO of HR.com.

CD2 offers world-class leadership training, a leadership curriculum that combines multimedia content with interactive learning opportunities and social collaboration to build a powerful experience for the learners. In addition, CD2 has added a Talent Development Toolkit that allows the organizations to adopt not only the new language of leadership, but to apply it and practice it daily. "We were honored to receive a Leadership 500 Excellence Award and are proud to be recognized in an area where our clients are having tremendous success," says Rich Bartlett, CEO.

Bartlett explains why he believes the CD2 platform was selected, "Leadership training can only be effective if it has the ability to scale. Our system engages every member of the organization, and allows the organization to apply the learning well after completion of the training curriculum."

About CD2 Learning: CD2™ Learning is a single solution that provides a cloud-based learning architecture accessible using any mobile device at any time. Organizations can select from a combination of easy to use technology offerings to create a unique system that scales to any size for onboarding, collaboration, educating internal or external customers and more.
